### **Voting in Advance Using this Form:**

At the Extraordinary General Meeting, the advance votes are given in each of the items of the agenda of the meeting as indicated with a cross (X) below.

If no advance votes have been indicated below, or if there are more than one advance vote on the same item, or if other text or markings other than a cross (X) have been used to indicate an advance vote, the item will be marked as "No action" when the votes are registered. This means that shareholder's shares are not taken into consideration in the item in question. Shareholder's shares are not considered as shares represented at the meeting and the votes are not counted as cast votes with regard to the item in question.

I/we understand that if I/we give the advance voting form as a representative of an entity (incl. estate), the legal representative of the entity or a person authorised by the entity must provide necessary documents to prove the right to represent the entity (e.g. trade register extract or board resolution). Documents are requested to be attached to this advance voting form. If the documents are not submitted during the advance voting period or they are otherwise incomplete, the shares of the entity will not be included as shares represented at the General Meeting.

It is recommended that a Finnish book-entry account holder votes in advance electronically at the address [https://sijoittajat.talenom.fi/en/investors/corporate\\_governance/egm\\_2022](https://sijoittajat.talenom.fi/en/investors/corporate_governance/egm_2022). In a situation where the Finnish book-entry account holder has voted in advance both electronically and via this advance voting form, the most recent advance votes will be registered in the book-entry account.

### **Matters to be decided at Talenom Plc's Extraordinary General Meeting 13 October 2022:**

Agenda item 6 covers proposal of the Board of Directors of Talenom Plc to the Extraordinary General Meeting in accordance with the notice of the meeting. The option "Yes" means that the shareholder is in favor of approving the proposal. The option "No" means that the shareholder objects to the acceptance of the proposal. By voting in advance it is not possible to submit a counter-proposal to the meeting or demand a voting. "Abstain from voting" means giving an empty vote and shares are considered to be represented in the meeting, which is meaningful in resolutions requiring qualified majority. In qualified majority items all shares represented at the meeting are taken into account and abstentions thus have the same effect as votes Against/No. Therefore, abstaining from voting affects the voting result. Shareholders should be aware of this, especially if giving a vote against is not their intention.
